Chestnut (Mrs Ware) will be going to 3M (Mrs Mackenzie Thompson and Mr Metz)

Beech (Mr Frascina) will be going to 3J (Miss Johnson)

Pine (Mrs Mahamy) will be going to 3T (Miss Tettey)

The virtual school tour will follow (we need to contact the website support team to upload the video).

Please be reassured that we continue to work with our colleagues at the Infant School on the transition of your child and our Year 3 teachers will be meeting BPIS staff in coming weeks to share information. We can't wait to meet our new recruits!

Once again, if you feel there is anything new we need to know about your child or if you have any particular concerns, please send us an email or put a call through to the school office and one of the team will get back to you.

or email blackmoorparkj-ao@blackmoorpark-jun.liverpool.sch.uk.

We are still unsure of what September will actually look like in terms of all children returning to school and we are awaiting information and guidance from the DfE or LCC. We will let you know our plans and arrangements as soon as we can.

By Living Together, Learning Together and Playing Together, We Will All Achieve

We know that these are uncertain times and that your child might be worried about their transition to BPJS. We want you to know that we will do everything we can to support your child's move up to the Junior school. Please do make sure you sit with them whilst you look at the website and enjoy looking at the images, reading the information and meeting the teachers together.

Jane Mackenzie-Thompson is our SENDCO (and also the Year 3 Head of Year). Jane has now met with Clare Pedersen, BPIS SENDCO and is offering any parents with a child on an EHCP (or waiting for an EHCP) and those on the SEND register, to meet her before the end of term (17th July) to discuss their child. Please get in touch with Mrs MT via the school office (information above).

We look forward to meeting you over coming months and welcoming your child to our school very soon. In the meantime, if you have any queries, questions, concerns or feedback, please email these to the school office and we will pass them onto the relevant person to get back to you.

Yours sincerely
