

Welcome to Blackmoor Park Infant School.

What an exciting time for everybody involved, we have so many fun and different things to experience and together we will witness the progression of your little people.

A little about me...

I am a Yorkshireman living in Liverpool and have a background working in a private nursery in Crosby as well as a year as a Reception teacher in our very own Blackmoor Park Infants. I am a firm believer in the positive impact outdoor learning can have on children and let this influence my planning wherever possible. I also place huge importance on manners and believe these should be encouraged as early as possible. In my spare time I like to frequent music gigs around Liverpool and write for a local magazine. When I'm not writing I love to watch films, sports and relaxing in my garden.

My Favourite Things

Roast Dinners
Playing Football
Reading and Writing
Stories
80s music
Where the Wild
Things Are
